- **Advanced Certificate in Arbitration** Chartered Institute of Arbitrators
- **Higher National Certificate in Building Studies** Gwent College of Higher Education
- **Diploma in Quantity Surveying** Gwent College of Higher Education

OVERVIEW

Steven is an accomplished construction professional with almost 30 years' experience in the industry gained initially as a quantity surveyor for a major multinational contractor, thereafter in senior quantity surveying and commercial management positions and later as director of professional services practices.

Since 2003, he has specialised in contract law and, as a construction contract and commercial consultant, combines his extensive practical experience with legal qualifications to provide high quality, realistic and cost effective dispute resolution, commercial management, Adjudication, Arbitration and training services to a variety of clients throughout the UK, wider Europe and the Asia Pacific Region.

That practical experience encompasses a wide range of market sectors, construction types and methods covering disciplines such as quantity surveying, commercial management, project management, claim preparation and defence, adjudication, arbitration, mediation, contract drafting and vetting, planning, estimating, personal and project mentoring and training.

EXPERIENCE

CMC Asia Pacific Pty Ltd Director - Australia **2012 - PRESENT**
Steven C Evans Ltd Managing Director

Steven founded his own professional services practice in the UK in September 2012 having previously been a director of a well established, multi-national construction contract and commercial consultancy. In 2015, Steven founded CMC in Australia, expanding the existing services provided in New Zealand. He now provides a flexible and expert service to his clients internationally, through both companies, in all aspects of construction commercial matters such as:

- Contract advice, vetting and drafting
- Dispute avoidance
- Dispute management and resolution
- Time and quantum claim preparation and analysis
- Adjudication
- Arbitration
- Mediation
- Litigation support
- Commercial assistance and management
- Expert witness
- Project review
- Training

EXPERIENCE

Alway Associates (London) Ltd

JUN 2006 - SEP 2012

Senior Consultant, Associate Director, Director

Steven joined Alway Associates as a Senior Consultant and quickly progressed to Associate Director and then Director of the Cardiff office providing, with a professional team, construction contract and commercial consultancy services to clients in Ireland, Wales and the South West of England.

Construction Study Centre

DEC 2006 - SEP 2012

Lecturer

CSC was the training division of Alway Associates; Steven lectured and delivered over 100 seminars on a variety of construction and related legal topics, consistently receiving delegate feedback of 'Very Good' or 'Excellent'.

Stradform Ltd

MAR 1995 - JUN 2006

Quantity Surveyor, Senior Quantity Surveyor, Managing Surveyor

As quantity surveyor, Steven was responsible for the commercial performance of up to 4 simultaneous projects. As Managing Surveyor he headed the commercial department of the Wales division, ultimately being responsible for a team of 10 quantity surveyors and a turnover of £40 million.

Tarmac Construction Ltd

AUG 1989 - MAR 1995

Trainee Quantity Surveyor, Assistant Quantity Surveyor, Quantity Surveyor

Steven joined Tarmac from school as a trainee and ultimately promoted to quantity surveyor. During his time with the company, Steven took responsibility for all contractor's quantity surveying functions and also studied for his HNC, Diploma, and Degree in the Built Environment all on a day release basis.
